JEFFERSON COUNTY, WASHINGTON

RESOLUTION NO. 2008-011

A RESOLUTION of the Board of Commissioners of Public Utility District No. 1 of Jefferson County, Washington to decrease their regular levy versus the District's prior year's levy amount, not including increases that would occur from new construction and increases in states valued assessed properties.

WHEREAS, the Board of Commissioners of Public Utility District No. 1 of Jefferson County, Washington has properly given notice of the Public Hearing held Monday, October 6, 2008 to consider the District's expense budget for the year 2009 pursuant to RCW 84.55.120; and,

WHEREAS, the Board of Commissioners of Public Utility District No. 1 of Jefferson County, Washington, after hearing, and after duly considering all relevant evidence and testimony presented, has determined that the District does not require an increase in property tax revenue from the previous year in excess of the increase resulting from the addition of new construction and improvements to property and any increase in the value of states assessed properties, in order to discharge the expected expenses and obligations of the District and in its best interest.
